

# Learning Roundtable Discussions

# Onboarding

- Do you have a formal process in place?
  - If so, what does it look like?
  - What is working well?
  - What would you like to change/add to your program?
  - How are you determining success?
- If no formal process in place, what is the biggest need you need to address?
  - How did you determine that is the biggest need?

# Authoring your own content

- Are you authoring your own content?
  - Why or why not?
  - What are the biggest hurdles you are facing?
  - What hurdles would you expect to face?

# Meeting learning objectives

- How are you tracking if your learners are meeting their learning objectives today?
- How are you relaying that information to your learners?
- What are some gaps that you are running into when you want to report on the completion of learning objectives?
