MERIDIAN LMS ADVANCED REPORTING ENGINE

TRANSFORMING DATA INTO ACTIONABLE LEARNING INSIGHTS

The Advanced Reporting Engine in Meridian LMS provides commercial organizations with the tools needed to turn data into actionable insights, leading to better decision-making and improved outcomes. This feature supports operational efficiency, reduces risks, and increases accountability.
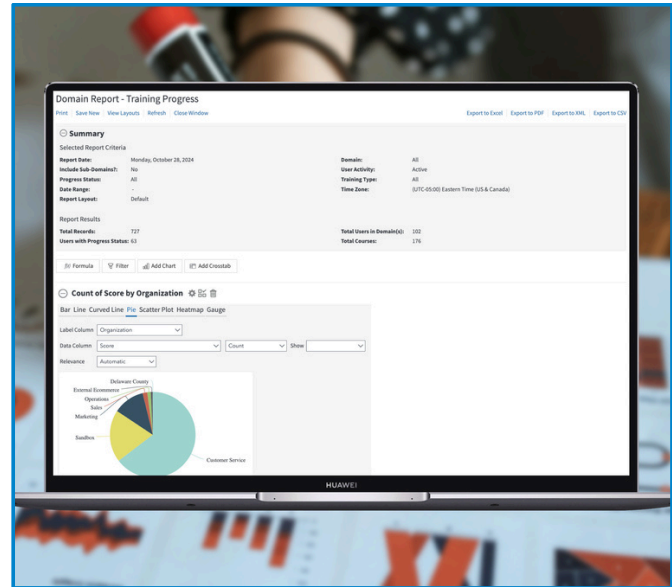

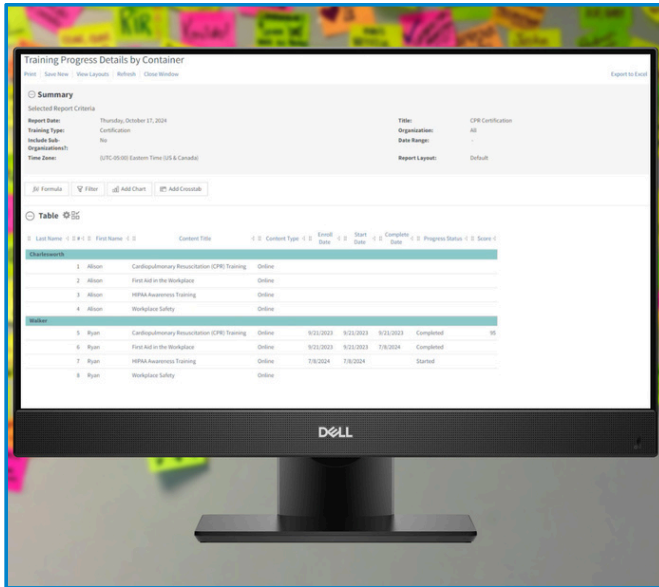

KEY FEATURES

- Custom report builder
- Filter by user, course, completion, and more
- Export reports for internal audits and analysis
- Share reports across admins and domains
- Crosstab and Chart display for visual display
- Formulas, Sorting, and Grouping options for more in-depth data analysis

- Analyze team performance by region or manager
- Track course effectiveness
- Customize reports for the executive audience

WHY MERIDIAN?

Advanced reporting and analytics drive operational efficiency through measurable results across teams, partners, and customers in fast-moving industries. Real-time data provides timely insights for cost-effectiveness and program optimization.
