

MERIDIAN LMS AUDIT & COMPLIANCE TRACKING

ENSURING ACCOUNTABILITY AND COMPLIANCE ACROSS EVERY LEARNER JOURNEY

Auditing & Compliance Tracking in the Meridian LMS provides commercial organizations with the tools needed to manage risks, improve decision-making, and comply with regulatory requirements.

These features provide actionable insights by continuously monitoring real-time data.

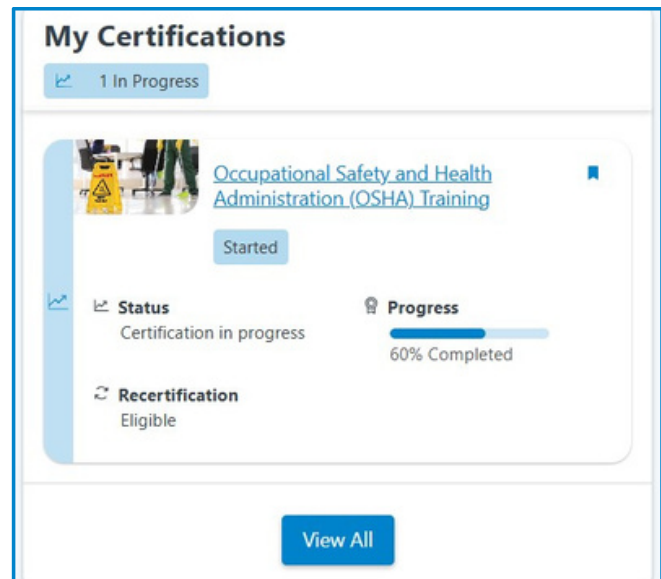

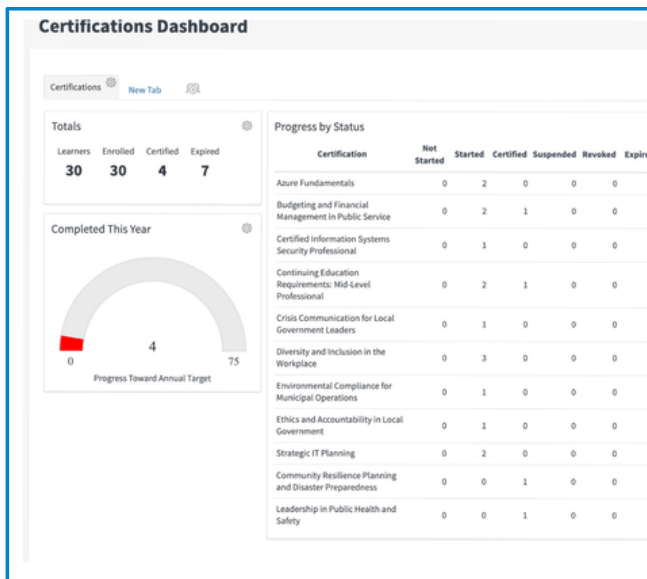

KEY FEATURES

- Real-time tracking of overdue and completed items
- Exception reporting to identify training gaps
- Automated compliance alerts and reminders
- Audit-friendly historical records
- Supports agency-wide or business unit tracking

IDEAL USE CASES

- Ensure employee training is completed on time
- Flag overdue or missing compliance tasks
- Prepare documentation for client audits

WHY MERIDIAN?

Supports compliance, auditability, and security mandates and helps teams evaluate scalable workforce development across teams, partners, and customers in fast-moving industries. Tracking required training supports compliance with federal, state and local regulations.
