meridian
KNOWLEDGE SOLUTIONS

Built for Strategic Partnerships

Meridian's partner ecosystem helps organizations expand learning, connect critical systems, improve accessibility, and extend training through best-of-breed content, technology, services, and eCommerce partners.

Why partnerships matter

Broader learning

Deliver more value with trusted content, assessment, and accessibility solutions.

Faster time to value

Accelerate implementation and integration with proven partners and open standards.

Greater flexibility

Support companies and agencies with configurable, scalable learning solutions.

Revenue & reach

Extend training to customers, partners, distributors, contractors, and learners.

Partner categories

Content Partners

Expand learning with curated course libraries and ready-to-use content.

Technology Partners

Connect assessments, authoring, accessibility, AMS/CRM, and business systems.

Service & Reseller Partners

Strengthen implementation, consulting, localization, and managed support.

eCommerce Partners

Monetize learning with payment, tax, and storefront integrations.

Why Meridian for Partners

28 Years of LMS Experience

Proven platform trusted by thousands of organizations.

Open APIs & Standards

Flexible integrations that work the way you need.

100% U.S.-Based Team

Local support, security, and service you can trust.

Implementation & Support

Expert guidance and responsive support every step of the way.
